A message from Sister Jeanne...

Dear Maryknollers,

In Marty Haugen's song we sing "Let us build a house where love can dwell and all can safely live. A place where Love is found..."

In the hot weather of summer, in air conditioning, it is sometimes difficult to think of the immigrants and refugees who leave home and family to seek a better life. Whatever one can do to help these children and adults is gratefully received. Praying for these and others you may know is always possible.

Love and prayers,

Sister Jeanne

MCSFSA Trust X Red Cross CHILDREN IN WAR – Sat., June 15, 2019

At Hong Kong Red Cross Center

MCS students from ages 8 to 12, attended a Red Cross education program “Children in War.” The presentation took the students on a ninety minute journey through which they saw despair as well as hope as experienced in a battlefield. Red Cross workers who had seen war and conflict first hand, explained and taught students about the cruelty of war, justice, peace and, most importantly, compassion.
